Place and date

[1] Data are those relating to the latest approved accounting period and calculated on an annual basis. They are considered from the date of closure of the accounts. The amount selected for the turnover is calculated excluding value added tax (VAT). In the case of newly established enterprises whose accounts have not yet been approved, the data to apply is to be derived from a bona fide estimate made over the financial year.

[2] An "autonomous enterprise" is any enterprise which is not owned as to 25% or more by one enterprise or jointly by enterprises linked to one another. For more details and specific cases, refer to the European Commission Recommendation (2003/361/EC)
